

## **A c k n o w l e d g e m e n t s**

The following people gave me advice, alcohol, criticism, encouragement, friendship, help, laughter, love, references, support and time in the right amounts whenever I needed them in the years I worked on this thesis: Pat D'Arcy, Kevin Eames, Moira Laidlaw, Andy Larter, Chris Walton and Jack Whitehead. I am very grateful to them.

My thanks to all colleagues and students who gave me permission to use extracts of their writing and of our conversations in this work.
